FAQ: HEALTH TESTING

1. How do you Test ?

- Similar to Radionics, using advanced muscle-testing technique as the indicator.
- Using a current Photograph + Name providing 'unique identifier' for remote testing.

2. How much does Testing Cost ? *(plus taxes)*

- \$55 for NuWTR Remote HealthTest
 - **Optional Follow-up Q&A Review Call** is available
 - \$25 for 15-minute; \$40 for 30-minute

3. How do I schedule a HealthTest ?

- Call (905-895-6630) or eMail (testing@rchealth4life.ca)
- **Provide a Full-length self-photo** (front-view); *wearing everyday clothing.*
- Include name/photo of up to 3 Primary supplements being taken.
- **Brief 1-line description** of the single Most Significant Health Challenge.
 - eTransfer Test Payment in advance to: testing@rchealth4life.ca (Autodeposits)

4. What is Included in the 30-minute HealthTest?

This HealthTest analyzes a set of indicators giving insight into health resiliency. This includes 40+ measurements within a suggested target scale for supportive health balance.

- **Provided back to Client is an email which includes:**
 - A paragraph summarizing HealthTest Highlights and Focus items.
 - Completed 1-page Remote HealthTest Summary.
 - Suggested Next Steps and available Supportive Products. *(as applicable)*
- **An Optional Q&A Review Call is available:** 15-minute or 30-minute

5. Is there other Testing available?

- **For a complete Holistic Health perspective:** Full Remote HealthTest (2.5-hrs)
 - 150+ measurements: includes detailed Body and Energy System testing.
 - 90-min HealthTest; 30-min email; 30-min Q&A Review Call; two Summary Docs.
- **'Focus Area' Remote HealthTesting** services are available
 - Can include Food Sensitivity and Supplement quality/supportive/value testing.
 - Can include EMF sensitivity and protection testing. *(EMF: ElectroMagnetic Field)*

6. How can I ask questions?

- Questions are answered in the Optional Follow-up Q&A Call.
- Phone Scheduling beyond 10-minutes would become chargeable consulting time.

7. How long have you been HealthTesting?

- Holistic Health Practitioner Testing Clients since 2009; Remote Testing Clients since 2016.

8. How is Remote Testing Possible?

- Distance is Not a factor for Skilled practitioners with energy testing
- The science enabling distance testing is quantum entanglement, famously described as 'spooky action at a distance' by Albert Einstein, and tested extensively by scientists.

We use so many tools leveraging Science which most do not understand:

- Cellphones: Live Facetime calls, instantly connecting us anywhere; Remote-Control apps.
- Medical scans: MRI *Magnetic Resonance imaging*, PET *positron emission tomography*, CAT *computerized tomography*
- Electric Devices: ***We simply know how to 'Operate the Tools'***... operate the switch, hit the button...
